**\*\*ABC**

- i. XYZ Project(when a project is an ongoing project)  
**Client/CurrentProject/XYZ**

The interface is titled "Freelancing Platform" and displays details for a project labeled "\*\*XYZ Project".

**Left Sidebar:** Contains navigation links: [View Profile](#), [Update Profile](#), [Post Project](#), [Current Projects](#), [Completed Projects](#), and [Logout](#).

**Top Left:** A placeholder for a profile picture, represented by a square with an 'X' and the text "120 x 120".

**Main Content Area:**

- At the top, there are five horizontal lines for text input.
- Project Status:** A section with a progress bar consisting of 10 green segments, labeled "Progress Bar".
- Completed Modules:** A section with four checkboxes: ☒ Module A, ☒ Module B, ☐ Module C, and ☐ Module D.
- Confirm Project:** A button located below the completed modules.
- Freelancer XYZ Chat Window:** A floating window titled "Freelancer XYZ" with standard window controls. It contains a chat area with two messages: "Any message" and "Any Message". At the bottom of the chat window is a text input field labeled "text" and a "Send" button.

Once the Project is confirmed Payment would send to the freelancer.

1. Review and Rating(Once Project completed Client can Give Review to freelancers performance)view
